

Sunflower Stitches for Ukraine

In partnership with the Common Man for Ukraine, we are seeking donations of **hand-knit hats** for the children in Ukraine who have been affected by the war. We will be accepting donations through 12/1/2025. Hats will be hand-delivered to the children of Ukraine just before the holidays.

You may use any pattern you like for a children's hat. Please contact Beth Reynolds at BethQReynolds@gmail.com with any questions or if you need a pattern suggestion!

To donate, please mail all hats to:
